		Discussion				

Day	Time	Title	Speakers	Venue	Chair/Facilitator	Rapporteur
	16:00 - 16:45	Tea break-Poster Session				
	16:45 - 18:00	Parallel Session 4: Working groups				
		1- Adult health	Steve Tollman, Agincourt	Mont Elgon 1		
		2- Sexual and Reproductive Health	Eliya Zulu, Nairobi	Mont Elgon 2		
		3- Mental Health	Victor Doku, Kintampo	Mont Elgon 3		
	18:00 - 20:00	Cultural event- Carnivor				
Wednesday 05 September						
	08:30 - 10:30	Plenary 6: INDEPTH Network General Assembly		Mont Elgon 1	Hassan Mshinda, Ifakara	Osman Sankoh, INDEPTH
		1. Young Scientists - Session 1	David Ross, SAC	Mont Elgon 2	David Ross, SAC	Sulemana Abubakari, Kintampo
	10:30 - 11:00	Tea break				
	11:00 - 13:00	Parallel Session 5 - Site Leaders Meeting and Young Scientists Session				
		1- Site leaders Meeting	All site leaders	Mont Elgon 1	Alex Exeh, Nairobi	Margaret Gyapong, Dodowa
		2- Young Scientists - Session 2	Wendy Ewart, SAC	Mont Elgon 2	Wendy Ewart, SAC	Angela Kimwere, Ifakara
	13:00-14:00	Lunch break				
	14:00 - 16:00	Plenary 7: DSS and HIV/AIDS epidemic		Mont Elgon 1	Miriam Were, National AIDS Control Council, Nairobi	Tom Lutalo, Rakai
		Keynote address	Nyovani Madise, Nairobi			
		1- INDEPTH work on ART roll out	Nyovani, INDEPTH			
		2- Finding the best questions for measuring AIDS mortality using verbal autopsy: A validation study in Kisesa, Tanzania and Manicaland, Zimbabwe.	Ben Lopman, Centre for Infections Health Protection Agency, London			
		3- HIV work in the Nairobi slums	John Kebaso, Nairobi			
		4- Determinants of Condom use among young adults 15-24 years in the Africa Center Demographic Surveillance Area in KwaZulu Natal, South Africa, 2005	Natsayi Chimbi et al, Africa Centre			
		Discussion				
	16:00 - 16:45	Tea break-Poster session				
	16:45 - 18:30	Parallel Session 6				
		1- Malaria Clinical Trials Alliance (MCTA)	Bernhards Ogutu et al, MCTA	Mont Elgon 1	Bernhards Ogutu, MCTA	Rita Baiden, MCTA
		2- Working group: Migration and Urbanisation		Mont Elgon 2	Mark Collinson, Agincourt	
		3- INDEPTH work on ART roll out	Nyovani Madise, Nairobi	Mont Elgon 3		
		4- DSS-University Collaboration - roundtable			Francis Doodoo, RIPS	Marianne Alberts, Dikgale
Thursday 06 September						
	08:00 - 10:00	Plenary 8: Using DSS to monitor malaria control programs		Mont Elgon 1	Tom Williams, Kilifi	Diallo Diadier, MCTA
		Keynote address	Thomas Smith, SAC			
		1- The role of Demographic Surveillance Systems in monitoring the burden of malaria and other important diseases: an example from Kilifi.	Allan Audi et al, Kilifi			
		2- Seasonal Molecular Characterisations of an Asymptomatic Cohort in a malaria endemic District of Ghana: Utilisation of the Kintampo DSS	Agyeman Budu Akua et al, Kintampo			
		3- Assessing the risk of self-diagnosed malaria in urban informal settlements of Nairobi	Ye Yazoumé et al, Nairobi			
		4- Distribution of Bed nets in Rusinga and Gembe West Locations of Suba District. Demographic Surveillance System (DSS), Suba District.	Mohamed Karama et al, Kisumu			
		Discussion				
	10:00 - 10:45	Tea break-Poster session				
	10:45 - 13:15	Plenary 9: Technical and methodological innovation from DSS sites		Mont Elgon 1	Jim Philips, SAC	Younoussi Zourkaleni, Ouagadougou
		1- Demonstrations of the robustness of DSS data.	Peter Byass et al, Butajira			
		2- Use of Personal Digital Assistants (PDA) for collecting household-level data in the Western Kenya Health and Demographic Surveillance System (DSS), 2005-2006	Barrack Aura et al, Kisumu (CDC)			
		3- Development of Personal Digital Assistant (PDA) application on Demographic Surveillance System (DSS) in Suba district, Western Kenya	James K'Opiyo et al, Kisumu (NRS)			
		4- Scanning of DSS forms and use of PDA for special module: Matlab experience	Golam Mustafa HM et al, Maltab			

Day	Time	Title	Speakers	Venue	Chair/Facilitator	Rapporteur
		5- The feasibility of biometric fingerprint identification to survey and monitor demographic and health indices in highly mobile pastoral settings in Chad	Daniel Weibel, Chad			

Discussion

Day	Time	Title	Speakers	Venue	Chair/Facilitator	Rapporteur
	13:15 - 14:15	Lunch break				
	14:15 - 16:15	Plenary 10: Mixed bag		Mont Elgon 1	Kathy Kahn, Agincourt	Kubaje Adazu, Kisumu
		1- What is the role of DSS in identifying humanitarian crises?	Fottrell Edward et al, Butajia			
		2- Burden of Disease in the Iganga/Mayuge DSS for 2005/06	Mutebi et al, Iganga/Mayuge			
		3- Using a demographic surveillance system to enhance comprehensive adverse drug reaction case detection and associated treatment costs in rural Tanzania	Njau JD et alia, Ifakara			
		4- Household out of pocket payments for illnesses: Evidence from Vietnam	Thuan Nguyen Thi Bich, Filabavi			
		5- Do health care services in Africa correspond to the needs of populations? The case of the construction of a new hospital in a rural area of Senegal	Mlaick Kante, Bandafassi			
		Discussion				
	16:15 - 16:30	Tea break				
	16:30 - 18:30	Parallel session 7 : Mixed bag		Mont Elgon 1	Ian Askew, Population Council, Nairobi	Suparat Phuankoonon, Wosera
		1- Adult Self reported health status versus performance based health status (functionality) in the Kassena-Nankana District, Ghana and Pune District, India	Pallavi S Lele et al, Multi-sites			
		2- The impact of bone and joint diseases on health-related quality of life of elderly persons: A population-based cross-sectional study in rural Bangladesh	Masud Rana, Matlab			
		3- Opportunities and challenges of monitoring MDGs at DSS Sites - Experiences from Ballgarh, India	Anand K, Ballgarh			
		4- Health Seeking Behavior of People from Demographic Surveillance Sites in Sanjay Juvekar et al, Asian sites	Sanjay Juvekar et al, Asian sites			
		5- Social factors and overweight- Evidence from eight Asian INDEPTH sites	Abdul Razzaque et al, Matlab			
		Discussion				
		Parallel session 8: Mixed bag		Mont Elgon 2	Eliya Zulu, Nairobi	William Muhwawa, Africa Centre
		1- Exploring the geographic dimension of Adolescent reproductive health in the Kassena-Nankana District of Northern Ghana	Atinbire Solomon, Navrongo			
		2- Fertility Decline in rural South Africa: Another stalled transition?	Moultrie Tom, Uni Cape Town			
		3- Comparative estimates of disease incidence in rural Kenyan children: a case study of Respiratory Syncytial Virus in the Kilifi DSS	Nokes et al, Kilifi			
		4- The burden of disease profile of residents of Nairobi's slums	Kyobutungi et al, Nairobi			
		Discussion				
	19:00 - 22:00	Farewell Dinner- Safari Park				
Friday 07 September						
	08:30 - 10:00	Plenary 11		Mont Elgon 1	Alex Ezech, Nairobi	Evasius Bauni, Kilifi
		1- Funding opportunities at the Wellcome Trust for developing-country scientists	Jacob Sweiry, Wellcome Trust			
		2- Progress of INDEPTH/Wits scientific development and leadership initiative	Khin Tint, Wits University			
		3- Update on INDEPTH data System Initiative	Ayaga Bawa, INDEPTH			
	10:30 - 11:00	Tea break				
	11:00 - 13:00	Plenary 12: Working Groups Feedback and closing remarks		Mont Elgon 1	Hassan Mshinda, Ifakara	Ayaga Bawah, INDEPTH
		1- Working Groups Feedback	Adult Health, Migration and Urbanisation, Mental Health, DSS-University Collaboration, etc.			
		2- Best poster announcement				
		3- Closing remarks	Board Chair, Executive Director, AGM hosts			
	13:00-14:00	Lunch break				
	14:00-18:00	Field visit- Nairobi Slum- Meeting point Safari Park			Jean-Christophe Fotso and Yazoume Ye, Nairobi	Gladys Aruwa, Nairobi
